

MOBILE VEHICLE RULES AND REGULATIONS

1. Any autos, trucks, motorcycles, or other motorized vehicles displayed shall have their batteries disconnected and terminals taped.
2. All motor vehicle tanks that contain fuel, or have ever contained fuel, shall be furnished with locking type gas caps or sealed with tape. The level of gas in tanks should be at 1/8.
3. Garden tractors, chain saws, power plants, and other gasoline powered equipment shall be safeguarded in a similar manner.
4. All autos, trucks, and vehicles of any kind must show the location on the Fire Department approved floor plan 30 days prior to the show date.
5. Inside the exhibit hall, vehicles can have the protective material bumper to bumper or just under the engine. If a display vehicle is on any carpeted area of the convention center, the protective material should be bumper to bumper.

Exhibitors displaying motorized vehicles must notify MC² 30 days prior to exhibitor move-in.

All exhibitors with mobile vehicles must submit this form by July 25, 2025
